

ADVANCED MANUFACTURING NOW

Advanced Manufacturing Now, our weekly eNewsletter distributed to over 30,000 opt-in subscribers. Each issue of Advanced Manufacturing Now features the most relevant news of the week across the entire advanced manufacturing spectrum, with a special focus on manufacturing technologies for the aerospace and defense, motorized vehicle, medical and energy industries, along with industry trade show and smart manufacturing coverage.

Advertising Options

Banner Advertisement

Full HTML ad links to your website and is positioned below the masthead. 468 x 60 pixels. One ad offered per issue.

Text Advertisement with Image

Text with image ads can be 60-75 words including headline and website URL, and can include company image sized at 140 x 140 pixels. Positioned between article summaries to maximize impact.

Big Box Call-Out

Ad links to your website and is positioned between article summaries. 300 x 250 pixels. One ad offered per issue.

Exclusive Special Edition Sponsorships

You can take over eNewsletter advertising by sponsoring a Special Edition. As the exclusive sponsor, only the sponsor's ads appear. Special Editions can be used to help promote trade show exhibits, advertiser events, anniversaries, new product launches and more.
