

CUSTOM SUPPLEMENTS

Advanced Manufacturing Media provides turnkey customized supplement services distributed through the digital and print channels of *Manufacturing Engineering* and/or *Smart Manufacturing* magazine.

Advanced Manufacturing Media will write, design and produce an 8-, 16- or 24-page custom supplement on premium heavy stock paper. Custom supplements can be magnistripped or poly bagged with *Manufacturing Engineering* and/or *Smart Manufacturing* magazine. Distribution can be targeted or include the entire circulation of *Manufacturing Engineering* and/or *Smart Manufacturing* magazine, plus bonus distribution at select events. Additionally, custom supplement sponsors will receive 5,000 standalone reprints at no charge.

Distribution will also include the entire digital circulation of *Manufacturing Engineering* and/or *Smart Manufacturing* magazine and the mobile edition (a combined minimum of 25k copies). Digital edition of custom supplement may include up to three embedded videos. Digital edition of *Manufacturing Engineering* and/or *Smart Manufacturing* magazine will include a “corner cut” on the cover announcing the digital edition. Readers can click on the “corner cut” and be directed automatically to the custom supplement.
