

Essential Retargeting

Let your reach extend past our site with our essential retargeting packages. Target our website visitors while they browse. These cookie'd users can then interact with your display ads while they are on other sites.

Focused Retargeting

Segment your retargeting campaign by industry, geography, interest area or what kind of device on which they are viewing the ads. Concentrate your efforts and find a better result.

Advanced Retargeting

We don't stop there, based on our database and our algorithm we can confidently expand upon our user base and can build a look-a-like campaign to attract your ideal clients.

This terrific opportunity increases your brand exposure and adds additional influence to your ongoing marketing campaigns.

GET STARTED!

A retargeting campaign can be created and deployed with a signed agreement and delivery of creative.

- Ad sizes for creative banners to display and follow users:

728x90 | 300x250 | 160x600 | 1200x628 | 320x100
320x50 | 300x600 | 300x1050

- File types accepted: .gif, .png, .jpg
