

SME EVENT DIRECTORIES

Show directory ads are an excellent way to attract attendees to your booth and help them find you after the show is over.

Special Bonus For SME Event Exhibitors

A show directory ad is available to exhibitors at HOUSTEX, AeroDef, RAPID + TCT, EASTEC, WESTEC, and SOUTH-TEC who also advertise in the specific show issue of *Manufacturing Engineering* magazine.

Ask your Regional Sales Representative how you can upgrade your show directory ad towards a premium position.
